The Fall/Winter Fundraising

Our major fundraiser this season is selling community discount cards at \$10 each. At registration, each family is required to purchase these cards- 5 for a single swimmer (\$50) / 10 for families with 2 or more swimmers (\$100). You sell each card at \$10 and you get all your money back. We won't cash your check for these for 1 month, so you have time to sell them without any \$ really out of pocket. If you would like to sell more, you can contact any board member-these will need to be paid for at the time you receive the cards. There will be a prize for the most sold. These cards make great Christmas Gifts for teachers etc.
